

The Red Stripe Band celebrates over 30 years in music. Led by the Charismatic Red Stripe on boogie piano and vocals, Lara De Belder (London Gay Big Band) adds elegance with her vocals. The band boasts a dynamic horn section led by Lee Vivian (Suzi Quatro, Will Young, Nick Heyward) on trumpet. Backed by an exceptional rhythm section with Costa Tancredi (Eric Clapton, Amy Winehouse) on bass, their undeniable groove has graced stages with Eddi Reader, John Martyn and a memorable performance at the Montreux Jazz Festival. They have played at virtually every jazz festival in the UK and are asked back year after year to entertain and thrill audiences across the country! Expect to be wowed with jive classics from Louis Prima and Louis Jordan interspersed with rock n roll from Fats Domino, Jerry Lee Lewis, Bill Haley, a dash of 1950's Ska and sprinkled with some big hitting originals from the band's fifth album "Without Blinking"
